Marvin ON THE Rock

9th edition

Co-presented by

MNP & PROMUTUEL ASSURANCE

YOUR EVENING

For its 9th edition, Marvin on the Rock brings together business leaders who step out of the boardroom and onto the stage for one night, lending their voices to Marie-Vincent's mission.

Behind the music, the spotlights and the energy of the crowd lies a reality that concerns us all. In Québec, nearly:

1 IN 3

women

1 IN 5

men

report having experienced at least one instance of sexual assault before the age of 18.

In the vast majority of cases, the perpetrator was someone known to the victim.

Source: Synopsis survey (November 2025), conducted on behalf of Marie-Vincent and the Marie-Vincent Interuniversity Research Chair.

For over 50 years, Marie-Vincent has supported children and teens who have experienced sexual violence, along with their families and loved ones. We also work to prevent sexual violence through prevention programs and training.

Our vision: to build a brighter future for children and youth.

Tonight, every voice, every act of generosity, and every commitment helps move our mission forward.

Thank you for being here. Thank you for making noise for a cause that must no longer be met with silence.
